1. Export for Datahub

1.1. Frequency

Export will be needed once a day, time TBD

1.2. File transfer

Meta4 will be responsible for generating the file and depositing it on the FTP HR. Soitec will be in charge of transfer and treatment of the file.

1.3. Export filter

All employees from Soitec (including past employees) will need to be exported. There will be no filter on presence status.

- For employees still present at Soitec : we need to export all data as of the day of the request (as currently in “Salariés présents”).
- For employees having left Soitec : we need to export all data in their “latest state”.

1.4. File name and format

Format will be csv

Name TBD

First line of the file will contain column names

1.5. Notification

If execution of the export fails, a notification email will be sent to TBD
